You can find information on the courses and application form through the [Coaches courses](#) webpage and the [linktree](#).

We will be providing more Level 2 dates in 2025, these are yet to be confirmed.
As soon as they have been confirmed dates will be released.

We are working with several schools, colleges and universities to provide Powerlifting education to their facilities.

If you have a group you would like to organise a course for, speak to us and we are provide courses around the country upon request, dependent on tutor availability.

If this is something you would like to explore with your facility please contact the course lead Charlie at charlie.marillier@britishpowerlifting.org
