

## **BRITISH POWERLIFTING DBS REQUIREMENTS**

### Introduction

All British Powerlifting referees and coaches are strongly recommended to have at least the basic level of DBS clearance. At the moment this is only advisory, but in the future may become mandatory, at least for anyone officiating at an international championship or for referees weighing in sub-juniors.

### DBS Clearance Levels

You can apply on-line but note that you can only apply for a Basic DBS Check as an individual and the cost is £23. Otherwise, it has to be done through a responsible organisation.

PLEASE COMPLETE BELOW AND RETURN TO THE DBS REGISTRAR

NAME:

BP Membership Number:

QUALIFICATIONS - please circle all that apply:
