

Disciplinary Committee Chair Vacancy

15th January 2024

British Powerlifting are looking to appoint a new Chairperson of our Disciplinary Committee. The current Chair Bryn Evans has taken the decision to step aside from the role of Chair and join his fellow volunteers on the panel.

Bryn has been a valuable member of the DC since the founding of British Powerlifting since 2009 and took the position of Chair in 2020 following the passing of Fred Sterry, at which point the then Chair moved out of position and Bryn took on the task.

I along with the whole board thank Bryn for his work in the role of Chair, and are thankful that his steadying of the ship approach to tricky situations will still be available within the panel moving forward.

Applicants are asked to send a CV along with a covering letter to james.brincat-smith@britishpowerlifting.org by the 31st Jan 2025
