

## British Open Classic 2024 Selections competition

Due to the adjustment of the international calendar, with the European Open Classic Championships moving forwards to March 2024, North West Powerlifting will be hosting a Selections Competition at Raw Strength Gym, Warrington on Sunday 26th November on behalf of British Powerlifting. This selections competition has been added to the British Powerlifting calendar as a result of there not being adequate time to reasonably facilitate the 2024 British Open Classic Championships prior to the closing date of Preliminary nominations for the 2024 Euros

Select Lifters from the 2023 selections competition will be added to the **2024 Open Classic Selection Pool** of athletes as per the British Powerlifting selections procedure ([link](#) [https://www.britishpowerlifting.org/documents/381\_british\_powerlifting\_international\_selection\_procedure\_may\_2017.pdf]) to be considered for international selection (Europeans 2024, Worlds 2024, Western Europeans 2024). This pool will also include athletes who compete representing GBR at the European Open Classic 2023 & Sheffield 2024 events.

You must compete at this event to be eligible for selection for the Open Classic team in 2024 unless you have otherwise been granted dispensation by the Board or registered a total representing GB at Sheffield 2024 or the European Open Classic Tartu, Estonia

Qualifying Totals for the selections competition can be found below, with Entries opening on **04/09/2023** and closing on **30/10/2023**
