We have a campaign to encourage more men to get involved in the sport and an active & successful youth powerlifting programme

We have just had our 2nd National Championship, our second competition this year.

We hope to run 4 competitions next year, the limiting factor has been on island referees which we hope to resolve later this year as we have 4 lifters who will have reached the 2-year qualifying time in October / November

We have run a number of successful fundraising events this year to enable us to purchase competition equipment, fund coaching courses and fund travel costs for referees

We are having some operational difficulties at the moment and have unfortunately had an EGM called to discuss the future of Manx Powerlifting as a Nation, that will be held on the 8th of October and we are hoping, with the support of BP, to come to a solution
