**English Secretary's report for British Powerlifting executive meeting 10<sup>th</sup> December 2023**

Another poor result from an English point of view at the Home Nations championships held in Belfast. Difficult to find any real excuses for England not able to field a full team and for some team members not making a total.

Next year's English national championships will be as follows - The bench press to be held on the 13<sup>th</sup> of April, in Northumberland which will include some disabled and athletes of short stature. The Women's All England will be held on the 15/16<sup>th</sup> June 2024 at Flitwick Bedfordshire, and the Men's on the 22/23<sup>rd</sup> June 2024 at the same venue. With 2024 being a Commonwealth championship year team selection will be taken from performances made at these events and in turn from the home nations.

The English AGM will be held at Moulton College, Northampton on the 28<sup>th</sup> of January 2024.
