

Performance Director Appointment

British Powerlifting are proud to announce the appointment of Dr. Scott Simon to the post of Performance Director.

An accomplished High Performance leader and coach, with extensive experience both in senior leadership roles and applied coaching delivery within elite Olympic, Paralympic and Professional sports. Scott has within the UK World Class system held Head Coach, Performance Director and CEO Roles, in addition to being Team Leader at multiple World Championships and the Tokyo 2022 Olympic & Paralympic Games.

Scott has been involved in Powerlifting since 1998 on and off around Military and World class careers lifting and coaching Internationally, and refereeing at a National Level.

Having spent much of his professional career within the S&C field, Scott is qualified and experienced as an accredited UKSCA S&C coach and trainer endorsed to deliver CIMPSA accredited courses, as well as tutoring on British Powerlifting Level 1 & 2 courses. Within S&C, Scott was recognised for his Tokyo 2020 contribution as, S&C Education-Human Kinetics, Elite Sport Coach of the Year 2021.

Having just received his Phd in Elite Athlete Performance also, we are very excited to see how Scott can draw from his knowledge and experience to help our Head Coaches shape our future World Champions and World Games Athletes.
