

Coaching Course Application issues

It has come to our attention that there have been some hyperlink issues on the British Powerlifting Coaching Course calender, meaning accessing the Level 2 course application form was difficult.

This error has now been amended and there are still spaces available for the upcoming blended online and 1 day practical Level 2 course starting September 23 2024.

We are still working to provide more courses throughout 2024 so please keep an eye out for updates via the newsletter or on the [news page](#) of the British Powerlifting website.

We are working with several schools, colleges and universities to provide Powerlifting education to their facilities. If this is something you would like to explore with your facility please contact the course lead Charlie at charlie.marillier@britishpowerlifting.org
