

Chairmans Report.

November 2024

Dear Board and Members,

I am pleased to report on the extraordinary achievements and progress British Powerlifting has made over the past summer. Our teams across all international competitions have displayed exceptional strength, skill, and sportsmanship, setting new standards in performance and dedication. Their achievements continue to inspire and uplift our federation and bring pride to the sport of powerlifting in the UK.

A heartfelt thank you goes out to our partners and sponsors. Your unwavering support has been instrumental in our success, and we look forward to working closely with each of you as we head into 2025. With the newly released 2025 competitions calendar, we are excited to announce that applications for next year's sponsorships will open very shortly. We welcome the chance to collaborate and create even more impact within our community.

On another exciting front, our long-standing partnership with Eleiko remains a cornerstone of our mission. We are currently in promising discussions with Eleiko, focused on enhancing the athlete experience and elevating the standards of our national series competitions. This initiative aligns perfectly with our commitment to providing world-class experiences for athletes and fans alike.

Special acknowledgment is due to our competitions team, whose commitment and expertise have been invaluable. They have worked tirelessly to craft a new document, attached as part of this board meeting, outlining the minimum standards expected from competition hosts. This document is designed to ensure consistency and uphold the high quality of competition that British Powerlifting aspires to deliver as we move forward. Their dedication plays a crucial role in setting a gold standard for the competitions to come.

To each of our members and volunteers, thank you. Your support and enthusiasm this year have propelled the federation to new heights, making it the most successful it has ever been. This collective dedication is the foundation of everything we achieve, and it is deeply appreciated.

Lastly, I want to take a moment to celebrate two of our outstanding athletes, Jurins and Ade, who have been selected to compete in the prestigious 2025 Sheffield Powerlifting Championships. This event represents the pinnacle of powerlifting, and their selection is a testament to the extraordinary dedication, strength, and perseverance they embody. Both of these individuals have inspired not only our own community but also a new generation of young powerlifters across the nation. Their commitment to excellence, humility, and sportsmanship shines brightly and serves as a powerful example for aspiring athletes everywhere. We are incredibly proud to have them represent British Powerlifting on such a grand stage.
