

## **Jnr Classic Head Coach Vacancy**

19<sup>th</sup> December 2024

Following the resignation from Jason Coulter from the position of Head Coach of the Subjnr/Jnr Classic team, we are looking for applications for Head Coach for 2025 onwards.

From myself and behalf of the whole board, I'd like to extend a heartfelt thank you and express our gratitude for the amazing work Jason has done since taking the position. With his leadership and values British Powerlifting has managed to build a squad to be reckoned with across the wider Member Nations.

Jason will be missed by all and, however in leaving the role he leaves behind his legacy, and we wish both Jason and his beautiful family the best.

Details of how to apply can be found on our vacancy page.
