

2025 Coach Licence / Registry

In a move to further ensure the safety and governance of our federation, I am pleased to announce the introduction of an annual Coaches Licence for all our National events. (Those supporting dependants at the upcoming Jnr Championship will not require this licence.)

Application requirements

- Be a British Powerlifting Member in good standing. (or a member of an IPF affiliate with permission from your Member Nation to coach within our organisation.) **NIPF/IrishPF members through a bilateral agreement also require this licence to coach within the NIPF framework.*
- Have completed Anti Doping training through UKAD or WADA (ADel).
- Have completed a minimum of "Safeguarding Children in Sport" Course.
- Have completed a level of "Equality and Diversity" training.

Applicants can pay their £20 Application fee through the following link [here](#).

Applications upon payment can be made [here](#). (Examples of recommended courses can be found on the application form.)

Once approved coaches will be added to our [National Coaches Register](#).

**The federation reserves the right to remove a coach's licence if they are seen to violate our principles, and are subject to complaints regarding conduct during an event, or are subject to Disciplinary action.*
