

## **ATHLETE COMMISSION CHAIR**

It is with great sadness that I announce that Annie Nelson will be stepping down from her role as Athletes Commission Chair after the upcoming AGM. Annie has been a great asset to the board, but at this point in her life needs to concentrate on herself, family and lifting career. We thank Annie for all her help and wish her well.

To that end the board invite candidates to be put forward for election at the upcoming AGM

In accordance with Article 43, **nominations for the post of Athletes Commission chair must be received by the CEO no later 20th April 2025**. Each nominee must be proposed and seconded in writing and signed, together with a letter from the nominee confirming they are willing to stand and are eligible to be a company director. All must be current British Powerlifting members and provide their membership numbers. In addition, nominees should confirm they have read, understood and accepted they are able to carry out the duties of the director in question, as detailed in the By-Laws. In accordance with Article 133, nominations may be subject to vetting by the board.

Each candidate will be discussed at board level prior to being approved for election.

A handwritten signature in black ink, appearing to read "James Brincat-Smith", written over a horizontal line.

**James Brincat-Smith.**

**Chief Executive Officer**
