## COMPETITIONS DIRECTOR VACANCY

Following on from Sabrina Downes stepping down from her position of Competitions Director, we welcome applicants for the role.

My personal thanks and that of the board go to Sabrina, who was of great support in her role and who has continued to do so in the interim whilst not being a member of the board to ensure a smooth handover of the events. Thank you Sabrina, we are very appreciative of all your efforts and sad to see you go.

More information on candidate requirements can be found [here](#). With a new competition support format and an exciting calendar ahead we look forward to receiving applications.

Application closing date 9<sup>th</sup> May 2025. Please forward applications with CV and covering letter to [james.brincat-smith@britishpowerlifting.org](mailto:james.brincat-smith@britishpowerlifting.org)
