

**Subject: Annual General Meeting (AGM)**

**To all Members of British Powerlifting,**

Following recent communications regarding the postponement of the upcoming Annual General Meeting, the Board has reviewed the position in light of requests that the AGM proceed as originally notified.

The decision to postpone was taken in good faith and with the intention of ensuring organisational stability during a period of executive transition, we also acknowledge the desire of the membership for the AGM to continue despite this.

Accordingly, the decision to postpone will be reversed, and the AGM will proceed as originally scheduled on Sunday 11<sup>th</sup> May 2025.

We thank you for your understanding and continued support. Should there be any further questions in relation to the AGM, please do not hesitate to raise them.

*B J Davis*

**Ben Davis**  
Chairman of the Board  
British Powerlifting  
on behalf of the Board of Directors
